Data Inventory

Keep track of your organization's data sources here:

Where are all of the areas you keep **member information/lists, contribution information, volunteer and event management information, advocate and action-taker information, and any other data sources**?
ie: mailing lists, excel files, current CRM, program data, grant information, etc.

Data Source (ie excel file)	**Name of File**	**File Owner**	**Purpose / How Data Supports Mission**	**Location of File**
